

Terms of Quotation and Sale - Goods & Services

These Terms govern Emerson's quotation and any resulting Contract for Emerson to supply Goods, Documentation, Software and Services.

1. Quotation & Contract

- 1.1 Emerson's quotation is valid for acceptance for 30 days after its date, unless Emerson has stated a different period or withdraws it earlier.
- 1.2 The PO must be in writing and has no effect until Acknowledgement. Emerson is not obliged to accept any PO.
- 1.3 If there are any conflicts, discrepancies or ambiguities, the following order of priority applies: (1) the Acknowledgment, (2) these Terms, (3) the PO and (4) Emerson's quotation. Clauses 5 and 16 of these Terms take priority over the rest of these Terms.
- 1.4 All communications about the Contract must be in English or German and state the Customer PO number and Emerson order number.

2. Customer Duties

- 2.1 Customer must in a timely manner supply the information, documents and instructions Emerson reasonably needs to proceed with its Contract duties.
- 2.2 Customer is responsible for the accuracy and completeness of all information it supplies.
- 2.3 If Emerson performs Services at Sites, Customer will not ask Emerson or Emerson Personnel to enter any agreement which imposes, waives, releases, indemnifies or otherwise limits or expands any rights or obligations in respect of Emerson or Emerson Personnel. Any such agreement is void.
- 2.4 If the acts or omissions of Customer, Customer Personnel or Customer's other contractors delay or prevent Emerson from performing a Contract duty or increase Emerson's costs, time will be extended and Customer will compensate Emerson accordingly.

3. Delivery

3.1 Delivery and Performance Periods.

Delivery and performance periods begin on Acknowledgment. All delivery periods and dates stated are approximate. Emerson will not be liable for any damages caused by its failure to deliver or perform on time.

3.2 Delivery Terms.

Unless the Contract says otherwise, Emerson will deliver the Goods, Documentation and Software from its, its Affiliate's or third party's factory or warehouse (the point of delivery), Carriage Paid To (CPT) the place of destination named in the Contract (Incoterms[®] 2010). Customer will pay for freight, packing and handling at Emerson's then current rates.

3.3 Partial Shipments.

Emerson may make partial shipments. Emerson may ship batteries separately from the rest of the Goods. Hard copies of Documentation may be shipped separately from the Goods.

3.4 Storage.

Emerson may place Goods, Documentation and Software into a third party warehouse chosen by Emerson, at Customer's expense if Customer, by its acts or omissions, delays their shipment. On placing Goods, Documentation and Software in the warehouse, delivery is complete and risk and title in Goods and Documentation passes to Customer. This Clause 3.4 does not apply to Goods, Documentation and Software which Emerson or its Affiliate is to export from the United States.

4. Title & Risk

Even if the Contract says otherwise and except as stated in Clauses 3.4 and 5:

- a) for any Goods and Documentation which Emerson or its Affiliate is to export from the United States, title and risk of loss will pass to Customer when they pass the territorial limits of the US.
- b) for all other Goods and Documentation, title will pass to the Customer on delivery and risk of loss will pass to Customer under the Incoterms[®] 2010 rule stated in the Contract.

5. Software, Firmware, Documentation and Intellectual Property

- 5.1 Emerson and other owners will each keep all rights, interest and title in their respective Software, Firmware and Documentation.
- 5.2 Customer's use of Software and certain Firmware (as identified by Emerson) is governed exclusively by the software license agreement with Emerson (or its Affiliate) if there is one or, in any other case, by the license terms of the owner.
- 5.3 If Software or Firmware is not governed by a separate software license agreement, Customer is granted a non-exclusive, royalty-free license to use that:
 - a) Software only in conjunction with the Goods; and
 - b) Firmware in the Goods, only as incorporated in the Goods.
 In both cases, the license applies only at the Site where the Goods are first used.
- 5.4 Customer may only copy Documentation (with its copyright notices unchanged) as needed to install, operate, re-calibrate, de-install, maintain and repair the Goods for its reasonable internal business purposes.
- 5.5 Unless the Contract says otherwise, Documentation will consist of one copy only of Emerson's, its Affiliates', or the manufacturer's standard documents in German and English. Emerson is only required to supply third party documents if authorised to do so by the third party. Emerson may choose to supply Documentation by hard copy, by CD-ROM or other suitable media, or by download from a website.

6. Compensation

- a) are fixed for Goods, Documentation and Software licenses delivered and for Services performed within the period(s) stated in the Contract;

- e) Customer waives the right to dispute any invoiced amount unless Customer tells Emerson of the dispute (with detailed reasons) within 10 Days from the invoice date. All undisputed amounts are payable as set out in Clause 6.2(c).

- f) Emerson may end the Contract or suspend performance (including withholding shipment and suspending performance of Services) if Customer fails or, in Emerson's reasonable opinion, appears likely to fail to make payment when due under the Contract or any other contract. This action will not subject Emerson to any penalty or affect its other rights.
- g) Emerson may, under the same conditions as specified in sub-clause (e), demand reasonable security for payment, and Customer will provide the security within 10 Days after the request. This action will not affect any other right of Emerson.
- h) Customer must pay all expenses (including attorneys' fees) incurred by Emerson in collecting late payments, up to the maximum amounts permitted by Law.

- 7.3 Emerson may rectify any defect several times and may decide at its discretion to change from rectification to subsequent delivery. Emerson shall be responsible for all costs incurred in connection with its subsequent performance, especially the transport, shipping, labour and material cost, unless such costs are incurred as a result of the Goods or Documentation being taken to a place other than the place of performance.
- 7.4 Customer may set a reasonable period of at least four (4) weeks to Emerson for him to provide subsequent performance and, if subsequent performance fails during such period, may demand reduction of the Contract Price after expiry of that period or, unless the defect is insignificant, may rescind the Contract. - 7.5 Any claims and rights based on defects will become time-barred, except in the case of intent, after expiry of twelve (12) months after taking into operation of the Goods, however no later than eighteen (18) months after delivery (14 days from delivery in the case of PolyOil[®] products). Claims to damages based on defects will become time-barred after expiry of the statutory period if they result from a violation of another's life, health or body, or from Emerson's gross negligence.
- 7.6 Emerson assumes no warranty for: (a) normal wear and tear; (b) material provided or specified by Customer; (c) processing of the Goods made by Customer; or (d) damage due to (i) unsuitable power sources or environmental conditions, (ii) improper handling, storage, installation or operation, (iii) misuse or accident caused by anybody except Emerson, (iv) contamination, (v) Cyber Attack, (vi) inadequate maintenance, (vii) damage resulting from any modification or repair not approved beforehand by Emerson in writing or (viii) any other cause not the fault of Emerson. Emerson will not be liable where any unapproved parts, firmware or software are used. Any costs incurred by Emerson for examining and removing such defects will be borne by Customer upon demand. Customer will always be responsible alone for the completeness and correctness of any information provided by it.
- 7.7 Emerson will not pay any costs relating to non-compliance with the warranty in Clause 7.1, except where agreed in writing in advance. Unless accepted in writing by Emerson, Customer will pay all costs incurred by Emerson in examining items that comply with the warranty in Clause 7.1.
- 7.8 If Emerson relies on wrong or incomplete information supplied by Customer, all warranties are void unless Emerson agrees otherwise in writing.
- 7.9 Customer alone is responsible for the selection, maintenance and use of the Goods.
- 7.10 Regarding products or Services sourced by Emerson from a third party (other than a Emerson Affiliate) for resale to Customer, Emerson assigns to Customer all warranty rights against such third party. In addition, Emerson remains obliged to assume the guarantee set forth the preceding clauses towards Customer, however, only under the restriction that Customer has beforehand unsuccessfully tried to execute the assigned warranty rights against the third party.

8. Changes

No change to the Contract applies unless agreed in writing by Emerson and the Customer.

9. Termination

- 11.2 Emerson's liability shall be excluded where a third party patent or proprietary right is infringed because Emerson has adhered to a design provided by Customer or has complied with an instruction given by Customer, or because the Goods or Documentation are used in a manner, for a purpose, in a country, or in connection with other goods or services, without this having been communicated to Emerson before execution of the Contract.
- 11.3 During the period of Emerson's warranty, Customer has the obligation to inform Emerson in writing as promptly as possible if a third party claims any patent or other proprietary right or asserts any claims in or out of court with respect to the Goods or Services. Before recognising any claim advanced by a third party in or out of court, Customer shall give Emerson the opportunity to comment. At its request, Emerson shall be given the authority to handle the negotiations or legal dispute with such third party at its own cost and responsibility. Customer shall be liable to Emerson for any damage sustained by it as a result of a culpable violation of said obligations.
- 11.4 Customer warrants that the use of a design provided by it or compliance with an instruction given by it will not lead to Emerson infringing any patents or other proprietary rights when performing its contractual obligations. Customer agrees to indemnify and hold Emerson harmless against any reasonable cost and damages incurred by Emerson as a result of Customer's breach of this warranty.

Neither party is liable for non-performance or delay due to unforeseen circumstances or causes beyond its reasonable control, including acts of God; war; armed conflict; terrorism; fire; flood; accident; weather; failure or interruption of public and private computer or telecommunication systems; networks, and infrastructure; Cyber Attacks; sabotage; strikes or labor disputes; civil disturbances or riots; governmental decisions, requests, restrictions, Law (including the denial, failure to issue or loss of export or re-export licenses); unavailability of or delays in transport; or shortage of materials or parts.

14. Laws and Regulations

- 14.1 Both parties will comply with all Laws, except to the extent a party is prohibited from doing so based upon a conflict of laws.
- 14.2 Each party must ensure that its Personnel will, while on the premises of the other party, comply with the other party's reasonable site rules on HSSE that are communicated in writing to the visitor before its arrival, and with the other party's reasonable instructions relating to HSSE.
