

Ovation™ User Manuals & Guides

User Manuals & Guides

Ovation user manuals and guides, while not publicly available via the Internet, are available to registered users of the password-protected Ovation Users' Group website – <https://www.ovationusers.com>

If you are an owner/end-user of an Ovation control system, you may register for membership by clicking the green “Apply for Access” link on the [ovationusers.com](https://www.ovationusers.com) home page. Providing your Ovation system ID will expedite the validation process.

Ovation Users' Group

The Ovation Users' Group, formed in 1987, provides a forum for ongoing and open communication between Emerson Process Management Power & Water Solutions, Inc. (Emerson) and the end-users of its distributed control systems. Membership has grown significantly through the group's inception – from less than 20 members in 1987 to more than 5,000 members worldwide today.

The Ovation Users' Group is managed, guided, and run exclusively by our system users, with Emerson providing financial, personnel, and demonstration equipment support as necessary.

Users' Group Features

- Managed exclusively by users with support from Emerson
- Direct input into Emerson's strategic product development plans
- Face-to-face access to senior management and technical experts
- Variety of programs and task teams focused on important user items

- Annual Meeting with Emerson automation experts and industry specific sessions
- Regional technical forum for interim assessment of new technology

Users' Group Website

Once registered and validated, Ovation users can log into the website and access product support information tailed exclusively for end-users and owners of Emerson's Ovation systems. Website registration also gives you automatic membership to the Ovation Users' Group. In addition to the user manual library, the website provides many other resources including:

- Annual Users' Group conference information
- Cybersecurity alert information
- Ovation patch listing
- Fieldbus device downloads
- NERC/security resources and tools
- Safety notifications, product advisories and information on issues under investigation
- Ovation Fault Information Tool
- Product updates and software release details
- Ovation training schedules and course information
- Archived webinars
